The Curious Case of the Communist Jell-o Box: The Execution of Julius & Ethel Rosenberg

by Mia Partlow & Michael Hoerger

This awesome "poster zine" shows the sordid shared history between Jell-O and nuclear secrets. Wait. What? Yep, Jell-O and nuclear secrets. Packed with espionage and intrigue, this super sweet poster (featuring declassified documents!), details the not-so-well-known connections between America's favorite jiggly fruit snack and the Manhattan project, government propaganda campaigns, and executed spies (or were they?) Ethel and Julius Rosenberg. It's totally like a John Grisham novel ... only, y'know, not stupid and predictable and terribly written. There's always room for J-E-L-L-O. And nukes! And the truth! It's a little preview of our upcoming book *Edible Secrets!*
