

# PLEASE LET ME HELP

“HELPFUL” LETTERS TO THE WORLD’S MOST WONDERFUL BRANDS

Zack Sternwalker

## Rebuilding one’s life by sending absurd letters

Zack is unemployed, overweight, recently divorced, and lives with his mother. Whilst a lesser man would wither away in emo-laden angst, Zack has found inspiration during this difficult stretch of life. A renaissance man, Zack conjures up brilliant ideas (soap on a rope, a Sammie Davis, Jr. biopic starring Tom Cruise, vases of flowers in Port-a-Potties nationwide), offers services (babysitter for Sophia Coppola, compiler and burner for a Beatles Best-of), and attempts to woo unsuspecting ladies with his lifelike sketches of firearms. *Please Let Me Help* is a collection of letters Zack has written to companies, actors, directors, his local police department, Hulk Hogan, Canada, and scores of other easy targets. Some write back; most don’t. *Please Let Me Help* shows how we can turn our weakest moments into creative opportunities and never give up hope!
